

OOPC 9 HOTEL ACCOMMODATION

N.B. There is no block booking of rooms for this meeting. This is because the cancellation policies of the hotels for block bookings could result in anyone cancelling being charged for their entire original booking (e.g. 4 or 5 nights)! In general the cancellation or change policies for bookings by individuals are more flexible (although you should confirm the details when booking). Since hotels in Southampton do become fully booked, we suggest that you book a hotel room for your expected stay as soon as possible. We recommend the following hotels.
